

**Rajiv Gandhi University of Knowledge Technologies  
Nuzvid, Andhra Pradesh – 521 202**

**Important note to the students regarding the fee for remedial examinations**

- (1). Any failed student can appear for maximum of two courses in each slot.
- (2). The students who have cleared all the courses in the regular EST examinations can opt for the Grade Improvement. These students should appear for the same supplementary examinations that shall be conducted for remedial courses. However, any student can register for maximum of two courses in the Grade Improvement in a slot. The grade improvement is given only once for a course. *Students are requested to pay the fee accordingly.*

**Very Important:** The remedial count would start from this slot (means now onwards). That means if a student took exam previously that will NOT be counted. Students are requested to understand this.

**Remedial / Grade Improvement Registration Fee (in Rupees)**

<b>Examination Type</b>	<b>Amount for Each Course</b>
